

DISTRICT TWO

King Street at State Road A1A Drainage Improvement Project

FIN 430897-1

Contractor: Superior Construction • Cost: \$4.2 million

Construction Start: Spring 2023 • Estimated Completion: Late 2023

Project improvements include:

- Replacing and adding up to 60” diameter drainpipe on King Street at Avenida Menendez and up to the Bay Wall.
- New concrete masonry wall system, timber pergola, metal and concrete stanchions with guard railing, curb and gutter, sidewalk upgrades, bicycle path, lighting upgrades and asphalt resurfacing.
- New landscaping will be installed in the area once the project is completed.

For more information, visit NFLRoads.com or contact Jacob Pickering at Jacob.Pickering@dot.state.fl.us.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Drivers can expect detours in the immediate area on weekdays as the project enters its final phases near the end of the year 2023. Questions regarding project details may be directed to 904-831-FDOT.
